

April 28, 2021

UM ID: 82782874

Dear Yun Lee,

On behalf of the Dean and faculty of the School of Information, **we are pleased to inform you that you have been admitted to the Master of Science in Information program at the University of Michigan School of Information for Fall 2021!**

The School of Information offers you the opportunity to become part of a community of world-renowned faculty and outstanding students. You will be able to choose courses from an interdisciplinary curriculum which corresponds to several areas of interest, from which you may launch a variety of exciting careers. Our curriculum and engaged learning opportunities support crucial knowledge and skill development through projects and internships in a variety of sectors.

Your admissions status is currently “conditional” until we receive a final, official transcript that indicates conferral of your degree from the undergraduate institution you attended. We must receive this transcript by the end of your first term of enrollment. All credit hours earned while you are in conditional status will count toward the graduate credit hours required to complete the program.

We hope you plan to join the UMSI community for your graduate education. The next page outlines **important next steps**, including how to register your decision to accept or decline our admission offer. In the coming weeks you will receive information about how to complete the required documents regarding F-1 or J-1 visa applications.

We are confident that you will enjoy your learning experience at the School of Information, the city of Ann Arbor, and the opportunities that our program will present!

Sincerely,

The UMSI Admissions Team

Register Your Decision

Once you have made your decision to accept or decline our admission offer, please complete the following steps:

- (1) Navigate to wolverineaccess.umich.edu and click on the “Students” tab (Note: Wolverine Access takes two to three business days to update after UMSI processes an admissions decision)
- (2) Select “New and Prospective Student Business”
- (3) Log in, or if you are new to the University of Michigan, you will need to create a Friend Account if you have not already done so: friend.weblogin.umich.edu/friend.
- (4) To accept or decline the offer, select “View Application Status,” then select “View Decision,” then select “Respond Now.” You may need to enter your University of Michigan ID (UMID) number and birth date to complete this task.

For students currently enrolled in an academic program, admission is contingent upon your continued academic success and satisfaction of established prerequisite criteria; a significant decline during your recent term(s) may affect your enrollment status.

Please send changes in your contact information (address/phone/email) in the coming months to umsi.admissions@umich.edu. You will also need to update Wolverine Access (<http://wolverineaccess.umich.edu/>) if any of your contact information changes.

Additional Resources

The University of Michigan’s International Center is a helpful resource for support and information before you arrive and while you are a student. Visit their website for more detailed information: internationalcenter.umich.edu
